

City of Sunny Isles Beach

Voting Districts

Residents of the City of Sunny Isles Beach elect a mayor and four commissioners (seats 1 - 4) to serve on the City Commission. The city is divided into four residential areas with one commissioner per area filling commission seats 1,2,3, & 4. Candidates for mayor can reside anywhere in the city.

Seat 1 encompasses the northern residential area of the city, which consists of all addresses north of 178 St to the northern corporate City limits.

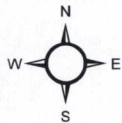

Seat 2 encompasses the central residential area of the city, which consists of all addresses south of 178 St. to the north of the center line of 172 St.

Seat 3 encompasses the southern residential area of the city, which consists of all addresses south of Sunny Isles Blvd. (SR 826) to the southern corporate City limits.

Seat 4 encompasses the mid-south residential area of the city, which consists of all addresses from the south side of 172 St. south to & including Sunny Isles Blvd. (SR 826).

City residents vote for mayor and all four commissioners to four-year terms. Each year, members of the City Commission elect one of the commissioners to serve as vice mayor for the coming year.
