Please remember, you are restricted from using BeenVerified for:

Employment Screening:

You may not use BeenVerified when evaluating a person for employment, reassignment, promotion, or retention

Hiring of Household Workers:

Including, but not limited to, nannies and domestic workers

Tenant Screening

Including, but not limited to, leasing a residential or commercial space

Educational Qualification:

Including, but not limited to, a person's qualifications for an educational program or scholarship

Credit or Insurance:

Accessing the risk of existing credit obligations of an individual and/or determining eligibility for issuing credit or insurance

Business Transactions Initiated by an Individual Customer:

Reviewing a personal customer account to determine whether the person continues to meet the terms of the account

Using BeenVerified information in these ways violates both our [Terms & Conditions](#) and the law, and can lead to possible criminal penalties. We take this very seriously, and reserve the right to terminate user accounts and/or report violators to law enforcement as appropriate.

Likely Matches:

These records have the same name and date of birth as the person you selected. In most cases, this is a strong indicator that the person you selected is also the person in the result below.

No results.

Possible Matches:

These records have the same name or the same date of birth as the person you selected. Sometimes court records are incomplete as a result of being filtered through different court systems or because of typographic errors when moving the records from paper to computerized format.

No results.

Professional Contact Info

The records contain possible places of work and business ownership records linked to the person whose report you are viewing. Since these records do not have specific information other than name and location, providing exact match details would not be accurate. Instead, you can use the results below to potentially locate the information you are looking for. However, they are not 100% likely to be the same person.
