

PROJECT SAVING LIVES

I'VE HEARD AUTOMATIC WEAPONS FIRED ON THE STREETS
OF NORTH MIAMI BEACH FROM MY FRONT STEPS!

HAVE YOU?

IF YOU ARE SICK AND TIRED OF THE VIOLENCE IN OUR CITY,

Please attend a demonstration on the sidewalks of
North Miami Beach City Hall

February 18, 2014
5:30pm – 7:30pm

Mission: To let City Hall that know the residents of North Miami Beach want all efforts made to reduce the gang and gun violence in our city. We want to increase the number of police officers, reinstate the Gang unit, and police officers to be treated fairly.

PRIOR TO THE 2011 LAYOFFS WE HAD 117 OFFICERS. WE NOW HAVE 87.

City Officials must provide the resources needed to combat gang and gun violence, and to keep and recruit an adequate number of qualified police officers.

OUR PUBLIC SAFETY COMES FIRST!

Please attend. Call Karin at (305) 527-1307
