

Good morning all,

I wanted to update you on the selection of our new Deputy Manager. Human Resources went through all the applications and selected 8 candidates to interview. The selection committee included Director Amberson, Clerk Latimore and Chief Dennis. Unanimously the committee chose 2 candidates as finalist for the position to be interviewed a second time at which time Assistant Manager Serda would also participate. Mr. Serda and I had spent much time looking at what type of individual would further strengthen our Team!

It is with a great sense of excitement that I convey to you the selection of Mr. Ralph Rosado as the next Deputy Manager for the City of NMB. Mr. Rosado currently holds the position of Executive Director for the South Florida Community Development Coalition, and he has tendered his resignation to Join our Team the second week of April. Mr. Rosado has also served in the capacity of CRA Director for the City of South Miami as well as VP for a construction firm.

Mr. Rosado's pedigree is impressive; He was a White House Graduate Intern and a Revitalization Consultant in the Revitalization Project of Journal Square in Jersey City and Princeton N.J. He is a Doctoral Candidate in City Planning and will be graduating this Spring from the University of Pennsylvania.
