

FOR THE  OF JASON FUND

Jason is the loving father of 2 daughters, Summer and Hallie. He is the son of Sandy and Tom Ribel (Retired Chief of Police for the City of Aventura PD), and his brother is an ICE Agent under the City of Miami Springs PD. In November, Jason underwent brain surgery at Cleveland Clinic. He recently completed radiation/chemo therapy, has a 30 day off period, then will continue increased chemo therapy for the next 6 months. Because of this, he is unable to work. The family is too proud to ask for help, they have always been there for all of us, so their friends are holding a 50/50 raffle, to show our love and support of Jason. We are hopeful for a cure and believe with the support and prayers from his friends and family, Jason will beat the odds.

Please help by purchasing a raffle ticket for \$50. There will only be 200 tickets sold, 50% of the money (\$5000.) will be donated to the "For the Love of Jason Fund" to help pay for Jason's medical and living expenses. The other 50% will go to 3 winners:

1st winner - \$3000.

2nd winner - \$1500.

3rd winner - \$500.

Drawing will take place on May 3, 2014 at Uncle Al's, 8200 Griffin Road in Davie at 1:00pm on Sat May 3, 2014
