Dear Ms. Mesko,

I appreciate your letter; however, I believe Mr. Pedron was mistaken in forwarding my public records request to you. My request was specifically for copies of public records recorded with the City of North Miami, and not with the Museum of Contemporary Art or with the MOCA board of trustees. Furthermore, I fail to see why I should direct my public records requests with a law firm representing litigants in an action filed against the City of North Miami.

Therefore, I am redirecting my request to the Clerk's Office of the City of North Miami so that my public records request can be fulfilled.

If you feel that there is a specific reason for my requests to be directed to you and/or Casey Cusick, and not to the City of North Miami, please so advise me.

Thank you.
