Re: Letter of Thanks and Appreciation

This letter is to thank you for letting Officer Paule Villard come to our school, Morningside Elementary School. She is of tremendous help to our kids. As you may well know, students in our school are predominantly of Haitian descent, so Officer Villard relates very well to them and they see her as a role model, especially the girls. This is not to say that she serves other students less.

The students are happy to see her and respond very well to her efforts. The teachers and the parents really appreciate that.

We hope that she continues to come here and that she comes more often.

Sincerely,

Ms. Oby Okany
School Counselor.
