

COMMENDATION

MIAMI POLICE DEPARTMENT

William E. O'Brien, Chief of Police

Awarded to: Paule Villard P.D.# 7263
 Classification: Police Officer Unit: Community Affairs

On February 11, 1999, Officer Paule Villard held the first of three elementary talent shows. These shows were planned on her own initiative, and she was able to obtain other officers to assist. She contacted principals at elementary schools to coordinate the event. She arranged to have Khambrel Marshall of Channel 6 to be a special judge and arranged to have other officers judge the performance of the participants.

The show went on in an organized and professional manner. Many of the parents and friends were in attendance, and the show brought about positive recognition for our police department. Trophies were presented for 1st, 2nd and 3rd place. I would like to commend Officer Villard for her initiative, dedication and organizational skills. I recommend that a copy of this commendation become a part of her personnel file.
