Subject: Rep. Geller's Special Session Absence

Hello Allison,

Representative Geller is currently working to rearrange previously made travel plans that fall on the dates of the recently called Special Session 2015-B. We currently do not know the exact dates the representative will be missing yet, but will notify you once this is available and ask for a one day extension for submitting a request for excused absences.

All the best,

Cody W. Rogers
OPS Clerk
Representative Joseph Geller
District 100
(954)-924-3708
