Mr. Templer,

Your recent email to the Florida Department of Law Enforcement (FDLE) was forwarded to the Office of Executive Investigations (OEI) for review. In your correspondence, you alleged corruption involving State Attorney Kathy Fernandez-Rundle, prosecutors with the Eleventh Judicial Circuit, and the presiding judge in a criminal case against former North Miami Beach Mayor, Myron Rosner.

Upon review, it was determined that your issues do not warrant an investigation by FDLE. Therefore, you should address your issues with the Eleventh Judicial Circuit for review and any action they deem appropriate. In regards to the presiding judge in the criminal case against Myron Rosner, your complaint would need to be addressed with the Judicial Qualifications Commission. The JQC contact information is below.
