Hi, Stephanie,

I had a chance a couple of nights ago to chat with the chief and he told me the Last Chance letter doesn't exist. That's why no one has been able to provide it to you.

With the relative chaos of the last couple of days, I've not been able to follow up on it. But my advice was that his department should at least make it clear to folks like you who request things that don't exist to tell you they don't. Leaving you hanging does no one any favors.
