

Stephanie,

Over the past few years, I have had the privilege to serve the people of Miami Beach as your City Commissioner, fighting for fiscal responsibility and transparent government.

As I prepare to end my final term in office, many of my neighbors have asked who I would like to see take my place as Group 6 Commissioner.

**My answer is simple: Mark Samuelian.**

Mark Samuelian has the background and experience residents deserve on the dais. As a former Fortune 500 business consultant, Mark worked with some of the biggest companies around the world to help them identify and eliminate wasteful spending and strengthen their bottom line. He can do the same for Miami Beach.

With his engineering degree from Georgia Tech, and as an alumnus of the Wharton School, Mark is by far the best qualified candidate in Group 6 to tackle the challenges our city will face in the coming years.

I hope you will join me in supporting Mark Samuelian by voting early. [Click here to find the early voting location nearest you.](#)

Sincerely yours,

**Deede Weithorn**

Miami Beach Commissioner, Group 6
