

# Jonah Wolfson Should Just Go Away!!!

## Jonah Wolfson Can't Keep Out of the Beach Election He Made Donations To Arriola & Aleman

We were hoping we'd seen the last of Jonah Wolfson.

The PAC that he and Phil Levine set up, Relentless for Progress, collected almost \$1.5 million from the very people who can't contribute directly to candidates.

When Michael Putney, Political Cortadito, and Save Miami Beach shined a light on the actions of Wolfson and Levine's PAC, they tucked their tails between their legs and waved a white flag of surrender. In disgrace, they swore they were shutting down their PAC.

Now the newest campaign finance reports are in and there's more deviousness afoot.

If you dig deeper into the reports it looks like Wolfson has been raising money for them from various Miami Beach special interests.

Wolfson's term ends on either November 9th or 23rd, depending on whether there's a runoff.

Wolfson should not only get out of Beach politics, he should get out of the Beach.
