RE: Submittal of Annexation Report for an area bordered on the West-Side by the FEC Railway, on North-Side by Northeast 121 Street, on the East-Side by Biscayne Boulevard, on the South-Side by Northeast 119 Street, except that between Northeast 16 Avenue and Biscayne Boulevard the South border shall extend to the point where Northeast 16 Avenue and Biscayne Boulevard intersect near Northeast 116 Street – Village of Biscayne Park

Dear Mr. Ruvin:

Please accept this correspondence as the formal submittal of the Village of Biscayne Park's intent to initiate the above referenced annexation request.

This request is made pursuant to Section 20-3, Code of Miami-Dade County whereby procedures are set forth to initiate a proposed boundary change by a municipal governing body.

Attached to this letter are three (3) of the report. Each detailed report includes the following:

- 1) A Resolution of the City Commission reaffirming its intentions
- 2) A legal description and map of the area proposed to be annexed
- 3) Proof of Public Hearing notice
- 4) Certificates from the Supervisor of Elections and the Director of the Planning and Zoning Department
- 5) Certified list of noticed property owners

An additional report will be submitted to the Office of Management and Budget. It is requested that this item be placed expeditiously on the Miami-Dade Commission agenda for acceptance.

If you have any questions or require further information or clarification please call my office at (305) 899-8000 or the project consultant, Alex A. David, Bell David Planning Group at (786) 514-0121.

INTRODUCTION

An excerpt from *"Miami's Historic Neighborhoods: A History of Community"* edited by Becky Roper Matkov.:

"In 1921, when Miami was preparing for the soon to arrive flood of land speculators, the area that was to become Biscayne Park was unincorporated, undeveloped and for the most part, fields of tomatoes belonging to Arthur Mertlow Griffing. Mr. Griffing was originally from Norwich, New York and had settled in Florida in 1903 to manage the Little River nursery. He built a large home and established Griffing Tropical Nurseries and Groves in and around a seven acre site that today is the Colonial Shopping Center along Dixie Highway and 125th Street in North Miami. Mr. Griffing was a landscaper for Carl Fisher's Miami Beach projects. By 1917, the horticulturalist changed hats to become a developer.

By the 1920's, Mr. Griffing had acquired and begun developing land along Dixie Highway north of Miami. The nursery was sold and the land subdivided and named Griffing Biscayne Park Estates. Mr. Griffing continued his love of landscaping by carefully planting the area with shrubs and trees so that Biscayne Park Estates resembled a huge botanical garden.

Early in January 1923, Mr. Griffing began advertising in the Miami Daily Metropolis and set up a miniature of the Park on the grounds of the Halcyon Hotel on Flagler Street. Prospective buyers were shuttled from downtown Miami to the new "Gateway to Miami". Mr. Griffing combined his land sales with his nursery promotions by offering a free strawberry shortcake to potential buyers, particularly young families to live in his new development. In addition he produced safe environments for children to play near their homes by creating many cul-de-sacs. The well-landscaped streets, medians and park areas laid out by Mr. Griffing set the stage for the first homes erected in the development which cost between \$4,000 and \$4,500. The shortcake incentive was later upgraded to a mixed box of grapefruits and oranges.

By a vote of its 113 citizens, the Town of Biscayne Park was incorporated on December 31, 1931, and on June 16th, 1933, a state charter was granted changing the name to the Village of Biscayne Park. The Works Progress Administration built a log cabin, a clear and distinct reference to the Depression as well as to the simplicity of the American frontier days. On February 1, 1933, at the height of the Depression, the Federal Emergency Relief Program provided the labor for the Dade County pine construction. William Green, a resident of the Park, as well as a Councilperson, was a regional administrator for the Federal program and was certainly instrumental in the creation of the Park's singular and distinctive building. The actual expenses incurred were a grand total of \$247, met by individual donations of \$5 to \$20 and gifts from the Card Club that ranged from \$10 to \$22. In light of today's multiple million dollar projects, these modest sums seem very quaint, but when held in light of the circumstances in which they occurred during the national depression, they reflect generous and caring residents and a community that was conscientious of their town. At a special ceremony on January 24th, 1935, the finished Log Cabin was officially turned over to the Village, and to this day has been the center for the daily operations of the Park. Since its creation in the thirties, it has been the prized symbol of the Village of Biscayne Park."

Although founded in 1933, the Village of Biscayne Park retains its heritage through tree-lined medians, original homes and historic log cabin/Village Hall. Located on the northeast Miami-Dade County, Biscayne Park prides itself on its quality of life enjoyed by over 3,000 residents.

And although the demographics of the Village have changed the quality of life and the desire to maintain the small town atmosphere has not.

What has changed is that the Village now believes that the timing for annexation efforts is right due to present annexation and incorporation efforts throughout Miami-Dade County. The area to the Village's East is an area that has future development potential and a residential area that has been developed to a high standard and will allow a greater mix of housing types within the Village. The Village is in a position to provide the proposed annexation area with high quality municipal services, better access to local government services without extraordinary additional resources.

Therefore, with this submittal, the Village of Biscayne Park (Village) wishes to initiate the annexation process in order to annex approximately **43.5 acres** (11.0 Commercial, 18.7 Residential and 13.2 Industrial and Utilities) which are contiguous to the Village's current Eastern municipal boundary (See Location Aerial).

The Annexation Area is described as area bordered on the West-Side by the FEC Railway, on North-Side by Northeast 121 Street, on the East-Side by Biscayne Boulevard, on the South-Side by Northeast 119 Street, except that between Northeast 16 Avenue and Biscayne Boulevard the South border shall extend to the point where Northeast 16 Avenue and Biscayne Boulevard intersect near Northeast 116 Street. This area is accessible through the existing street network.

The 2012 population figures showed that approximately 3,099 persons reside in the Village. At this time, the addition of the Annexation Area would increase the Village's population by more than 800 and would also add numerous new businesses.

With its current successes the Village wishes to expand so that the following goals may also benefit the Annexation Area:

- Improving services and infrastructure;
- Having a local government that is aware of and concerned with the business community's development and the quality of life for local residents and businesses;
- Instilling pride and participation;
- Improving the process of development regulation;
- Providing for a local government that is accountable for how taxes are spent and is willing to participate with all other Miami-Dade municipalities, old and new, in providing financial assistance to some of the less fortunate areas of the County;

In summary, the Annexation Area will further provide for the fiscal strength of the Village by diversifying and increasing its tax base and allowing for significant job creation opportunities. Through more localized planning and review and enforcement of regulations the needs of this very important employment and economic center will be fully realized.

STATEMENT OF REASON FOR BOUNDARY CHANGES

The proposed annexation area as shown abuts the Village of Biscayne Park at its Eastern limit. Policy 1.9 (Intergovernmental Coordination Element) of the Village's Comprehensive Plan has identified the annexation of this general area to be a priority. Annexing the approximately 43.5 acre area will also insure that the quality of life for businesses and residents will remain through continued proper planning and development practices. The Village believes the annexation area is complementary to development already existing in the Village.

The Village intends to:

- Protect and maintain the character of the Village while infusing that character into its current eastern edge by annexation;
- Grow and diversify the Village's tax base through annexation to include more non-residential uses; such as light industrial and commercial (currently, 100% of Village tax burden is on residents);
- Decrease the overall millage rate for current Village residents;
- Bring in additional revenue as current revenue stream has decreased;
- Enable the Village to enhance its current eastern boundary through annexation with policing and code compliance initiatives – a win win for Village and annexation area; and,
- Allow for greater control of area surrounding our boundaries.

The Village now believes that the timing for annexation efforts is right due to present annexation and incorporation efforts throughout Miami-Dade County. The County Commission is now more involved in the annexation and incorporation process and wishes to focus on more "regional services", hence, greater support from County. And finally, smaller municipalities in the County with similar challenges have already submitted applications for annexation and are in process.

As stated previously, proper planning and development practices and compatibility are extremely important to the Village. Through more localized planning, review and enforcement of regulations the needs of this neighborhood residential area, employment and economic center will be fully realized.

Finally, property owners within the proposed annexation area **will benefit from more localized government.**

NOTIFICATION OF PROPERTY OWNERS OF VILLAGE INTENT

Formal notice of the public hearing (See Hearing and Courtesy Notices) by the Village proceeding with the annexation has been sent to property owners within the area and within 600 feet thereof. Proof of compliance with this section shall be required. **(See Attachment "B" - CERTIFIED LIST OF PROPERTY OWNERS)**

LAND USE PLAN AND ZONING

The land use and zoning consists of a mix of residential, office and commercial, industrial and office, as shown on the Miami-Dade County Comprehensive Development Master Plan Future Land Use Plan Map and the respective Zoning Map.

According to the Inventory of Existing Land Uses provided by the Miami-Dade County Department of Regulatory and Economic Resources the Annexation Area is approximately 43.5 acres in size. The following table details the major land use categories by number of acres and percentage of total. A map of the existing land uses may be found in Attachment "A".

Table 2. Inventory of Land Uses

Land Use	Number of Acres	Percent of Total
Residential	18.7	42.9
Commercial & Office	11.0	25.2
Industrial	6.7	15.5
Institutional	0.0	0.0
Parks & Recreation Open Space	0.2	0.5
Transportation, Communications, Utilities	6.5	14.9
Agriculture	0.0	
Undeveloped	0.0	0.0
Inland Water	0.4	1.0
TOTAL	43.5	100.0

The Village has adopted both a Comprehensive Development Master Plan and Land Development Code.

Future Land Use Designations for Annexation Area

The Annexation Area is designated *Business and Office*, *Medium Density Residential* and *Industrial and Office* on the Miami-Dade County Future Land Use Plan Map. Upon annexation, the Village will incorporate these Land Uses into its Comprehensive Plan.

Please see Future Land Use Plan Map for more detailed Land Use designation locations.

Also, for reference purposes, the relevant Land Use Designation descriptions are included and were obtained from the Miami-Dade County Comprehensive Development Master Plan 2015-2025 and the Village of Biscayne Park Comprehensive Plan.

Future Land Use Plan Map Designations (Miami-Dade County)

Medium-High Density

This category authorizes apartment buildings ranging from 25 to 60 dwelling units per gross acre. In this category, the height of buildings and, therefore, the attainment of densities approaching the maximum, depends to a great extent on the dimensions of the site, conditions such as location and availability of services, ability to provide sufficient off-street parking, and the compatibility with and impact of the development on surrounding areas.

* * *

Business and Office

This category accommodates the full range of sales and service activities. Included are retail, wholesale, personal and professional services, call centers, commercial and professional offices, hotels, motels, hospitals, medical buildings, nursing homes (also allowed in the institutional category), entertainment and cultural facilities, amusements and commercial recreation establishments such as private commercial marinas. Also allowed are telecommunication facilities such as cell towers and satellite telecommunication facilities (earth stations for satellite communication carriers, satellite terminal stations, communications telemetry facilities and satellite tracking stations). These uses may occur in self-contained centers, high-rise structures, campus parks, municipal central business districts or strips along highways. In reviewing zoning requests or site plans, the specific intensity and range of uses, and dimensions, configuration and design considered to be appropriate will depend on locational factors, particularly compatibility with both adjacent and adjoining uses, and availability of highway capacity, ease of access and availability of other public services and facilities. Uses should be limited when necessary to protect both adjacent and adjoining residential use from such impacts as noise or traffic, and in most wellfield protection areas uses are prohibited that involved the use, handling, storage, generation or disposal of hazardous material or waste, and may have limitations as to the maximum buildable area, as defined in Chapter 24 of the County Code. When the land development regulations are amended pursuant Policies LU-9P and LU-9Q, live-work and work-live developments shall be permitted on land designated as Business and Office, as transitional uses between commercial and residential areas.

* * *

Industrial and Office

Manufacturing operations, maintenance and repair facilities, warehouses, mini-warehouses, office buildings, wholesale showrooms, distribution centers, and similar uses are permitted in areas designated as "Industrial and Office" on the LUP map. Also included are construction and utility-equipment maintenance yards, utility plants, public facilities, hospitals and medical buildings. The full range of telecommunication facilities, including switching and transmission facilities, satellite telecommunications facilities, microwave towers, radar stations and cell towers is also allowed. Very limited commercial uses to serve the firms and workers in the industrial and office area are allowed dispersed as small business districts and centers

Equivalent Village of Biscayne Park Future Land Use Designations

None - Upon annexation the Village will incorporate these Land Uses into its Comprehensive Plan.

Zoning

The East Annexation Area consists of lands zoned Business (BU-2), Industrial (IU-1) and Residential (RU-4M) as shown on the Miami-Dade County Zoning Map. Upon annexation, the Village will amend its Land Development Regulations to incorporate those zoning districts

Please see the Zoning Map for more detailed zoning district location information. Also, for reference purposes, the relevant Zoning District descriptions are included and were obtained from the Miami-Dade County Zoning Code.

Village of Biscayne Park Equivalent Zoning Districts

None - Upon annexation the Village will incorporate these Zoning Districts into its Land Development Regulations.

LIST OF SERVICES TO BE PROVIDED

a. Police

The Biscayne Park Police Department currently comprises 11 sworn full-time officers and 14 sworn reserve officers that serve the Village a minimum 24 hours a month. The current 2013-14 budget is \$997,989. The Department is the recipient of numerous State and regional awards.

Approximately 2 additional officers will be needed to service the annexed area. Additional first year costs associated with the annexation would be \$134,713

b. Fire Protection

Fire Protection is provided by Miami-Dade County fire services.

c. Water Supply and Distribution

The Village of Biscayne Park is currently served by the City of North Miami. The City of North Miami currently services the annexation area through its water supply and distribution system. To meet the demands of North Miami's Water Service Area the City purchases additional capacity from the Miami-Dade Water and Sewer Department (MDWASD).

d. Facilities for Collection and Treatment of Sewage

The Village's properties are currently utilizing septic systems. The Miami-Dade County Water and Sewer Department currently services the annexation area through its collection and treatment system and will continue to do so. Should the Village convert to a sewage system, the capacity needed for the annexation area will be considered in the future plan.

e. Garbage and Refuse Collection and Disposal

The Village will serve residential customers with the same level of service provided to Village residents. Multi-family and commercial areas will continue to contract with private service providers.

f. Street Lighting

Florida Power and Light provides electricity and lighting to the annexation area and will continue to do so.

g. Street Construction and Maintenance

The State of Florida will be responsible for the maintenance of State roads while Miami-Dade County will be responsible for County roads. The remaining municipal streets, per an interlocal agreement transferring responsibility, will become Village roads.

h. Park and Recreation Facilities and Services

The annexation area will benefit from the existing Village of Biscayne Park parks and recreation facilities and services that are provided to residents.

i. Building Inspection and Code Compliance

The Village is responsible for all building inspections through the Building Official. If the annexation proposal is approved, it is anticipated that approximately one part-time code compliance officer will be needed to service this area. Additional first year costs associated with the annexation will be \$25,000.

j. Zoning Administration

The Village will be responsible for all zoning related matters.

k. Local Planning Services

The Village will be responsible for all planning related matters.

l. Special Services Not Listed Above

None

m. General Government

The Village has a Mayor-Commission-Manager form of government. The Mayor and four Commission members (Members of the Commission) are vested with all legislative powers as set forth in the municipal charter of the Village. The Commission's powers include establishing public policy and law. The Village Manager is responsible for the day to day administration of the Village.

The approximate increase in staff is from 31.0 FTE to 33.0 FTE with an additional associated cost of \$186,347 for Police and Code Compliance. The Village must determine the level of roadway maintenance and associated costs.

TIMETABLE FOR SUPPLYING SERVICES

a. Police

Immediate with additional personnel added within 6 months.

b. Fire Protection

Immediate/No Change. Miami-Dade Fire Rescue will continue to provide services in perpetuity.

c. Water Supply and Distribution

Immediate/No Change. The City of North Miami will continue to service this area and meet any future additional demands through additional capacity purchases from Miami-Dade County Water and Sewer Department.

d. Facilities for Collection and Treatment of Sewage

Immediate/No Change. Miami-Dade County Water and Sewer Department will continue to service the annexation area through its wastewater collection and treatment system.

e. Garbage and Refuse Collection and Disposal

Immediate/No Change. The Village will serve residential customers with the same level of service provided to Village residents. Multi-family and commercial areas will continue to contract with private service providers.

f. Street Lighting

Immediate/No Change. Any new lighting will be paid for through Special Taxing Districts or funded by FPL through user fees.

g. Street Construction and Maintenance

Immediate/No change. The County shall maintain responsibility for section line roadways while the Village will maintain roadways designated municipal streets per the interlocal agreement.

h. Park and Recreation Facilities and Services

Immediate/No Change. In the future, there may be opportunities to acquire lands for recreation through outright purchase, using grant funding or dedications.

i. Building Inspection and Code Compliance

Immediate with additional personnel added within 6 months.

j. Zoning Administration

Immediate.

k. Local Planning Services

Immediate.

l. Special Services Not Listed Above

Immediate/No Change.

m. General Government

Immediate/No Change After the annexation process is completed the Village will be responsible for all general government services.

FINANCING OF SERVICES

a. Police

The City will fund this service through its General Fund via tax collections, citations and arrests and intergovernmental revenue sharing.

b. Fire Protection

Fire and Rescue services will continue to be provided by Miami-Dade County Fire Rescue Department. Services are financed through the Fire Rescue Special Taxing District.

c. Water Supply and Distribution

Water supply and distribution services will continue to be provided by the City of North Miami with additional capacity purchased from MDWASD. Costs associated with new development (water main extensions and connections) will be paid by the developers. Residential and commercial water usage charges will provide the revenues for the continued operation and maintenance of the water supply and distribution system.

d. Facilities for Collection and Treatment of Sewage

Wastewater treatment and collection services will continue to be provided by MDWASD. Costs associated with new development (wastewater main extensions and connections) will be paid by the developers. Residential and commercial sewer usage charges will provide the revenues for the continued operation and maintenance of the wastewater treatment and collection system.

e. Garbage and Refuse Collection and Disposal

The Village will serve residential customers with the same level of service provided to Village residents. Multi-family and commercial areas will continue to contract with private service providers. Services provided by the Village are financed through a special assessment.

f. Street Lighting

Street lighting is financed through FP&L or Special Taxing Districts created by new development.

g. Street Construction and Maintenance

The costs of new street construction will be funded by the associated new development. Maintenance of streets will be funded through the Village's General Fund.

h. Park and Recreation Facilities and Services

The operation and maintenance of these facilities will continue to be funded through the General Fund.

i. Building Inspection and Code Compliance

Building Inspections and Code Compliance are financed through user fees and other sources (fines).

j. Zoning Administration

Zoning Administration services are financed through user fees and general funds.

k. Local Planning Services

Local Planning Services are financed through user fees and general funds.

I. Special Services Not Listed Above
None

m. General Government

General Government Services are provided and funded through tax collections and additional revenue sources such as: Utility taxes, franchise fees and intergovernmental revenue sharing.

TAX LOAD ON ANNEXATION AREA

Gross Revenue is based on the 2013 Taxable Property Rolls and other revenues. The cost of providing services (expenditures) is based on expected costs the Village believes it will incur. Since the proposed annexation area may undergo redevelopment, revenues and expenditures will be constantly changing as new development is added to the tax rolls and more services are required..

Below is a comparison table showing various Property Tax Revenue scenarios for the annexation area.

The Village's 2013 millage rate is 9.7000. The 2013 Miami-Dade County millage rate is 1.9283.

Property Tax Revenue is determined by the following formula: Revenue = Taxable Property X Millage X .95/1000

	MILLAGE RATE	2012 TAXABLE PROPERTY ROLLS	PROPERTY TAX REVENUE	COST OF PROVIDING SERVICES^	NET BUDGET GAIN/LOSS
Biscayne Park East Annexation Area	9.7000	\$46,585,511	\$429,285	\$159,713	+\$269,572
Miami-Dade County	1.9283		\$85,339 (UMSA)	\$159,713	-\$74,374

^ For Village Police and Code Compliance Only

Additional fiscal goals of this endeavor are to build Village reserves as well as reduce the tax burden (decrease millage rate) on all Village residents.
