NORTH MIAMI POLICE DEPARTMENT MEMORANDUM

To: Gary Eugene
Interim Chief of Police

Date: July 22, 2016

From: Sergeant Diana Román 
Office of Professional Compliance

Subject: Request to Initiate
Internal Affairs #16-06

On July 18, 2016, a contact shooting incident occurred at NE 127th Street and 14th Avenue, in the City of North Miami, documented under NMPD Case #16-22884, as well as Administrative Review Case #16-04. Following the incident, and the arrival of NMPD investigators and staff members, Commander Emile Hollant was asked by Chief Gary Eugene whether he was a witness to the shooting incident and he advised that he was not. Evidence later collected during the administrative review process revealed that Commander Hollant appears to have been present prior, during, and after the shooting incident. Given the belief that Commander Hollant was not a witness to the incident, he was neither interviewed by the Investigative Section in a timely manner, nor separated as the other witness officers were at the scene.

At this time, the Office of Professional Compliance requests that an Internal Affairs case be initiated in order to follow up with the allegation of obstructing an investigation.

Investigative Summary Excerpt
By Sgt. Diana Roman

On July 18, 2016, at approximately 5:25 p.m., this investigator arrived at the scene of the shooting involving Officer Jonathan Aledda. While at the scene, this investigator made contact with Commander Hollant and inquired whether he had seen any person(s) recording the incident when he arrived at the scene. Commander Hollant responded he had gone to get a pair of binoculars during the incident, but at one point he did see people recording from the apartment complex located at 12700 NE 14th Avenue. Thereafter, this investigator focused on locating the digital media potentially available at that location with the assistance of the NMPD's Investigative Section. This investigator did not witness the conversation between Commander Hollant and Chief Gary Eugene.
