RE: PIERRE, FRANTZ
DOB: 01/07/1965

Dear Dr. Sir or Madam:

I am the Primary Care Physician for Mr. Frantz Pierre and have been treating Mr. Pierre since April 2017. He is slowly recovering from serious cardiac care, including an emergency quadruple bypass surgery due to a cardiac arrest in October 2017. He is NOT healthy enough to attend any legal proceedings at this time or for the next three (3) months at a minimum.

Any stress caused by legal proceedings will be extremely damaging and dangerous to Mr. Pierre's health and will likely cause life-impacting consequences. I cannot medically clear Mr. Pierre to attend any legal proceedings in the month of December 2017 or January 2018, or any time within the next 3 months.

Please use this information as necessary. If you have any additional questions, please do not hesitate to contact my office.

Sincerely:

Dr. Smith Joseph
