Thank you for your response! In the interest of time, could you please provide the full list of applicants and then provide the application materials for only one applicant: Pablo Lima.

After that, I can let you know if I still need the application materials for the other applicants.

Mr. Leibowitz, I have received your request. However, due to the fact that most of the applicants are likely to be police officers or previous law enforcement, there will be information that needs to be redacted. I'm not sure how many applicants we have, so I'll be able to give you a better estimate on the time once I have that information. Please know that having this ready to you by tomorrow doesn't seem feasible, especially since we are still accepting applications until the end of the day today.

We will do our best to satisfy your request timely.

Hi Mr. Jimenez and Ms. Siegel,

I am writing to request a list of applicants for the police chief position, as well as the full applications (resumes, cover letters, etc.) submitted by each candidate.

Thanks so much for your help. Please feel free to call me with any questions at 914-960-2739. If you are able to provide this by tomorrow, I would really appreciate it.

Aaron
