William Morales But Talib gets to spew her hatred of Jews and others not of the Islamic faith and it's ok not to defend yourself ? I'm with the commissioner, awaiting the next terrorist plot to open eyes again only when something happens. 5

Jeffrey Rome Screw these liberal commisioners and mayor. When will these politicians grow some cohones and start supporting America and it's Americans. They talk about her being a racist and spewing hate. These POS's forget that this muslim supports the people who flew planes into our NY twin towers and killed over 5000 people and more dying from exposure still 18 years later. This POS took her oath on the Koran. She openly hates Jews and talks about how they should all die or be killed. Remind me again why you would not support Lima-Talib? 3
