Good morning, Madam Manager.

Please consider this as my official complaint against Councilperson Vimari Roman for violating the building code of the Village of El Portal and for abusing her position as an elected official.

I attach my Statement of Facts/Allegations, together with Exhibits thereto, including a hyperlink to this website: https://www.airbnb.com/rooms/9387632?source_impression_id=p3_1593185823_Zu0Impbzo%2FCtaKQN&guests=1&adults=1.

Accordingly, I am requesting that you direct your Code Enforcement Department to investigate this matter on behalf of the residents of El Portal.

An official complaint is also being filed with, and mailed to, the Miami-Dade Commission on Ethics and Public Trust.

Thank you in advance for your attention to this matter.

Regards,

Stephanie Kienzle
