RE: DEMAND FOR RECOUNT, City of North Miami, Florida to the attention of the Clerk's Office

To Whom It May Concern:

By receipt of this letter, please accept my demand for a recount of the ballots of the uncertified North Miami Municipal Election for District 3 on May 11, 2021.

Pursuant to Section 6-97 of the municipal code of North Miami:

Sec. 6-97 – Recounts:

In its discretion, the city councilmembers serving as the canvassing board may order a recount of the returns of any election prior to the final certification of the results.

If the results for any office reflect that a candidate was defeated or eliminated by one-half of a percent or less of the votes cast for such office, that a council member subject to recall was retained or not retained by one-half of a percent or less of the votes cast on the question of recall, or that an issue appearing on the ballot was approved or rejected by one-half of a percent or less of the votes cast on such measures the canvassing board shall order a recount of the votes cast with respect to such office or issue. A recount need not be ordered with respect to the returns for any office, if the candidate or candidates defeated, recalled or eliminated from contention for such office by one-half of a percent or less of the votes cast for such office request in writing that a recount not be made. The canvassing board shall examine the counters on the machines, or the tabulation of the ballots cast in each district in which the office or issue appearing on the ballot and determine whether the returns correctly reflect the votes cast. If there is a discrepancy between the returns and the counters of the machines or the tabulation of the ballots cast, the counters of such machines or the tabulations of the ballots cast shall be presumed correct and such votes shall be canvassed accordingly. Upon request of any candidate for good cause shown, the canvassing board may prior to the final certification of results, order a recount in whole of the election in which that candidate participated. Upon request of any elector for good cause shown, the canvassing board may, prior to final certification of results, order a recount of any issue election.

I would like to formally object to the following members of the canvassing boards involvement due to conflicts of interest:

Alex Desulme : serves as the Chair for National Haitian Elected Officials Network, which endorsed Mary Estimé-Irvin who I accuse of voter fraud, as well as Mayor and canvassing board member Phillipe Bien-Aime who has campaigned on behalf of Mary Estimé-Irvin.

I look forward to expeditious response to my entitled rights under the City charter.

Laura Hill,

Candidate for North Miami District 3 City Council.
