**Subject:** **Our NMB Police Chief**

Good Evening Manager,

It has come to my attention by several members of the community that have approached me telling me if I was bringing in, or prepping or moving to support Scott Israel as our police chief.

Let me make it crystal clear to you and a public record in this email that I in no way shape or form support Scott Israel or anybody being our police chief other than the wonderful police chief that we have Richard Rand. Chief Richard Rand is a pillar to our community, has shown excellent great rep-or with our community and loves our city and We love him for the record he is a great man. I just want make sure for clarification in case anybody asks you that you know where my stand is on our police chief. At the end of the day the decision is yours but I have the right to let you know my opinion, and anybody else. So here it is on record, and hope any rumors will be squashed. However has started this rumor is a trouble maker and making up lies. I have no knowledge of this happening, do you? If you do please respectfully I'd like to know.  
Thank you sir and have a great evening.

Thank you,  
Mr. Anthony F. DeFillipo

Mayor,  
City of North Miami Beach
