Dear Mr. Manager,

Please see the email below. I was asking what funds I had in my Contingency Account and when I received a reply, I was quite shocked to find out that there was additional spending money in an ARPA fund.

When was this established? I never knew about this. Was this something discussed in a Commission Meeting, and I just don't remember it? More money for pet projects because my colleagues can't work with the discretionary fund amount already given to us? We also have \$ 4,000.00 available for Travel and Auto expenses as well as \$ 750 for Educational Programs. This is ridiculous!

Let this email, with our City Clerk copied on it, serve as direction to place a discussion item on our next Commission Meeting regarding the ARPA fund.

Thank you,

Barbara Kramer
