June 24, 2022, PRR-2022-613: In a memorandum dated June 23, 2022, Arthur Sorey stated, "After concluding it was a recording device, it was immediately returned to Mr. Kazan and I publicly invited him back into the meeting. However, Mr. Kazan had already left."

Please provide proof of this "public invitation" to Mr. Kazan since there is no mention of it on the June 21, 2021 Commission meeting video and Mr. Kazan attests that he received no such "public invitation."

July 1, 2022, PRR-2022-638: Dear Madam Clerk, Since the Campaign Treasurer's Reports are not online as they should be, please immediately send me copies of all reports filed to date by all the candidates. Please also send me a copy of the campaign handbook showing the filing date deadlines for the reports. I would also appreciate copies of all date-stamped envelopes in which the reports were mailed, if applicable. Some of the candidates filed months ago, and it is imperative that the public be able to freely access the Campaign Treasurer's Reports in order to find out where the contributions are coming from and what the expenditures are. I have been more than patient, and there is no excuse for these documents not to be made public and at no charge. The public, especially the voters, have a right to this information so they can make informed decisions about their elected representation. Regards, Stephanie Kienzle
