Mr. City Manager,

The flyer states the meeting will take place from 6:30 to 9:00 PM on August 25, 2022

The memo states 6:00 to 8:00 PM on August 25, 2022

The event was cancelled on the calendar and now a Save the Date event has been added for August 25th from 6:00 to 8:00 PM

I wonder if I hadn't ask for the presentation if you would have come up with this two page slide for the Mayor and Commissioner's. I asked for the presentation. Where is the due diligence that has been done for this event? If it's not finalized, where is the preliminary unfinished presentation? To say that I'm concerned about this and how it is rolling out is an understatement. It will be interesting to see if this event even moves forward.

### **For Andrise,**

I'm asking for a Public Record Request with the time (minutes) that a discussion occurred at our February Commission Meeting as stated in the attached memo with regard to the Arthur I Snyder Tennis Center and the desire to develop on the property....again, per the memo attached.

Please also send me all emails, invitations, texts and phone calls from the following (see below) that went out in regards to inviting the public, developers, investors and the like, to this Pre-Solicitation Launch Event.

All Mayors and Commissioners

Manager Sorey

Asst. Manager Merzius

Asst. Manager Brown

Kent Walia

Joann Milord

Willis Howard

Hans Ottinot

Pamela Ryan  
Commissioner Sally Heyman

Thank you,
