Arthur,

In light of the recent calendar event for a solicitation launch regarding the Arthur I. Snyder Tennis Center, can you please refer me to the conversations you mentioned to, in the email, sent below, on February 18, 2022?

Can you also send me more detail about this event? As I mentioned yesterday, I do not recall this commission giving any direction for redevelopment of and on this area.

Clarification is all I'm asking. And let me be clear, this may be a great proposal and idea. I just want to be fully prepared and comfortable with the event on August 25th since I'm unfamiliar with this Solicitation process for this site.

Andrise, please consider this a public request:

I need the dates of meetings where public discussions took place regarding re-development of the Arthur I. Snyder Tennis Center since City Manager Sorey has been our City Manager

Also, the presentation that is prepared for the August 25, 2022 Solicitation Launch event referred to in this email thread.

Also, dates on the calendar where meetings for the idea to redevelop the Tennis Center as well as meetings regarding the Solicitation Launch were discussed with anyone and to anyone from the following:

All Mayors and Commissioners

Manager Sorey

Asst. Manager Merzius

Asst. Manager Brown

Kent Walia

Joann Milord

Willis Howard

Hans Ottinot

Pamela Ryan

Commissioner Sally Heyman

Thank you,

Barbara Kramer

Commissioner

City of **North Miami Beach**
