Subject: Dismissal of Election Complaint filed Against City Clerk; Filing of New Complaint by Mayor Defillipo against the City Clerk for the same allegations contained in the dismissed complaint

Dear Mayor, Vice Mayor, and City Commissioners:

This is to inform you that the City Clerk, Andrise Bernard, was able to defeat two frivolous complaints filed by the “racist” blogger relating to campaign reports filed Commissioner Michael Joseph. The dismissal letters are attached.

While the dismissals reflect the professionalism of the City Clerk, Mayor Defillipo filed a new complaint against the City Clerk alleging the same allegations contained in the “racist” blogger’s complaint. The new complaint is attached. I will not assume that the Mayor is working with the “racist” blogger to destroy the stellar reputation of the City Clerk, who was recently recognized with the designation of Master Municipal Clerk. However, a reasonable person may conclude that the Mayor is working in tandem with the “racist” blogger to sully the good name of the City Clerk when the Mayor’s signature was notarized by the “racist” blogger in the complaint. See, paragraph 4 of the Complaint.

If you have any questions about the foregoing, please feel free to contact me.

Regards,

Hans
