Subject: CONFIDENTIAL: Complaint about Anthony Defillipo Perjury (North Miami Beach Mayor)

EMAIL RECEIVED FROM EXTERNAL SOURCE

Mr. Arrojo,

I am a concerned voter of the city of North Miami Beach, FL.

During the recent election, I received a lot of information about Mayor Anthony Defillipo not living in the city of North Miami Beach and continuing to serve as mayor. I decided to research and verify those claims from the public record. I couldn't believe he bought a home for \$1.2 million dollars cash in another county but that's what the public record shows.

I also googled about elected officials residency problems or removal and I found that politicians moving out of their area and continuing to remain in office is not an unusual violation. Examples:

Alachua County Commissioner <https://www.alligator.org/article/2022/09/marihelen-wheeler-sued>

Escambia County Commissioner <https://www.pnj.com/story/news/2022/07/19/gov-ron-desantis-asked-investigate-doug-underhill-vacating-office/10099370002/>

Escambia County School Board Member

Lastly, I have read in the news that there are plans for the mayor to fire city staff. According to Glenna Milberg on Channel 10: "The city manager, who takes direction from commissioners, faces a new majority, and his job may be on the line."

We have a city commission meeting this Tuesday night.

I hope your office can investigate this issue quickly.

Please see attached complaint.

Have a nice day.
