**Subject:** Complaint about Mayor Anthony Defillipo Hiding Residency Violation

Dear North Miami Beach Government,

Please see the emails below regarding my complaint about Mayor Defillipo's actions in hiding his residency violation after selling his home here and moving to Davie (a town in BROWARD County) that I have filed with the Miami-Dade County Commission on Ethics and Public Trust and forwarded to the Miami-Dade County State Attorney's office.

There are many elected officials that try to move outside their area and were caught which I list below. I hope that the city can also look into this seriously because it should require the resignation or removal of Mayor Defillipo.
