

EXHIBIT “A”

SCOPE OF SERVICES

The Haitian American Research Company shall provide governmental relations and public affairs services relating to all activities normally associated with the City of North Miami Beach (“City”). In addition, these activities include special programming through the American Rescue Plan Act (ARPA). Authorization for these services shall require consultation with the City’s representatives before execution. Services include, but are not limited to the following:

- **Engaging in door-to-door canvassing efforts relating to City affairs within the boundaries of the City including but not limited to the following areas:**
 - Highland Village
 - Washington Park
 - Uleta Park
 - Eastern Shores

- **Raising awareness within the North Miami Beach Community of key City programs and initiatives including but not limited to:**
 - Driveway Approach Program
 - Lights, Camera, Action Program
 - NMB Scholarship Program
 - Teen Chat Program
 - Gift Cards Program
