Hello Phillip,

I hope you had a nice Thanksgiving.

It has been brought to my attention that Chessed of South Florida has not received my discretionary funding donation that I have requested a portion to be allocated to.

I have cc'd Yona Lunger, President of the organization, on this email in case you have an error that is causing my request to not be fulfilled.

I also have not received verification about my ARPA discretionary funds that were suppose to go to NMB Friends of the Library. Not only have I not received verification, but I have been COMPLETELY IGNORED for months regarding this funding that went to all NMB Commissioners, and is an allocation that I accidentally found out about.

As my term in elected office comes to a close, I expect my requests to be taken care of. The derelict of duty by this administration toward me has been abominable and the disrespect, beyond professional.

Thank you,

Barbara Kramer

To Whom it May Concern,

Please see the organizations I want my remaining balance of discretionary funds to go to. All of these organizations should be easily available since some I donated to in the past, and some were mentioned last evening. If you have any questions, please let me know.
