One team. One community.

A whole lot of support.

We're thrilled to share some exciting updates on all the great things happening in our city. Our resources are expanding with more community programs and better-quality services.

Interlocal Cooperation Agreement between Miami-Dade County, the City of North Miami, and the NMCRA

We're excited to announce a groundbreaking agreement that will inject \$4 million into economic development initiatives in North Miami. This strategic partnership aims to revitalize the community, stimulate local businesses, and improve North Miami residents' overall quality of life.

On October 6, 2023, Commissioner Marleine Bastien hosted a press conference to discuss a resolution sponsored by the Commissioner providing an amendment to the original Interlocal Cooperation Agreement between Miami-Dade County, the City of North Miami, and the NMCRA. The new agreement removes a \$1 million dollar cap and provides the NMCRA with an additional \$4 million to invest in projects that bring economic development to the area. The resolution was passed unanimously on October 3, 2023, by the Board of County Commissioners.

Israel Solidarity Rally

North Miami Mayor Alix Desulme, Ed. D., joined by community leaders and residents hosted a powerful Israel Solidarity Rally on October 11. The event demonstrated unwavering support for the State of Israel and promoted unity among the diverse population of North Miami. The Israel Solidarity Rally drew residents from different backgrounds to show their solidarity with Israel. Community leaders and local organizations took the stage to emphasize the importance of promoting peace and understanding in the region and call for an end to violence.

To continue to show our support, the North Miami City Hall will display shining lights of the Israel flag among the building.

Trolley Bus Launch

The City of North Miami is thrilled to announce the NoMi Express Trolley Service launch, a remarkable addition to the city's public transportation system. Made possible through generous funding from the Miami-Dade County People's Transportation Plan and the North Miami Community Redevelopment Agency (CRA), this free community transportation initiative is set to revolutionize mobility for residents and visitors within North Miami.

Our two new trolleys are ready to service our community with 32-passenger seating, TV, and built-in Wi-Fi!
