RE: Hispanic Vote of Broward County – PAC 74851

Dear Ms. Willis

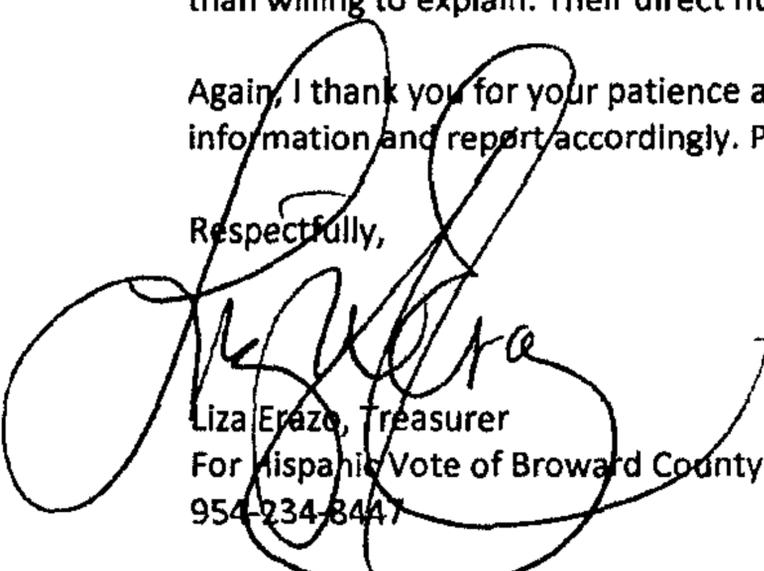

My apologies for the errors made on 2020 M3 Report. I was not understanding what needed to be done, and how to complete the reports correctly. Your notices were not ignored, upon receiving I called several times and sent an email for help, Ms. Erica walked me through the process step by step. God Bless her patience and calm, caring demeanor.

I have been asked to write a letter to explain the errors in question. I made the error on choosing the correct contribution type. Mr. Garcia gave a **donation of \$100.00**, I entered information incorrectly. It was not cash and has since been corrected.

The second request was the donation from Broward County Latin Entrepreneurs. **That \$4700.00 was a donation to the organization.** With the importance of educating the community, and assuring everyone understands the importance of elections, voting, etc., BCLE felt the organization was worthy to receive this donation. **The money again was a donation.** Should you have questions regarding, they are more than willing to explain. Their direct number is 954-840-8900.

Again, I thank you for your patience and for Ms. Erica who explained the correct way to enter information and report accordingly. Please be safe!

Respectfully,

Liza Erazo, Treasurer
For Hispanic Vote of Broward County
